

	TRAVIS COUNTY ESD #5 MANCHACA FIRE RESCUE Department Memorandum	M2019-007
	Notice of Disciplinary Action	Effective: 9/25/2018
		Expires: NA
		From: C Barron

On August 21, 2018, a member was operating Engine 501 during an emergency response. While attempting to navigate through stopped traffic with limited horizontal clearance, the apparatus came into contact with a private vehicle. The member’s actions were determined to be a violation of the following regulations of Emergency Services District #5 / Manchaca Fire/Rescue.

Manchaca Fire/Rescue Policy:

C-1.10 Apparatus Operations and Safety:

B.2.b: The Driver/Operator’s first priority shall be for the safe arrival of the apparatus and crew to the scene

B.3.a: The D/O of any MFR apparatus shall be directly responsible for the safe and prudent operation of the apparatus under all conditions

Due to these violations and other vehicle related incidents within the last 18 months, the member was suspended for 10 hours.
