On September 18<sup>th</sup>, MFR administered the written exam for the Lieutenant and Driver/Operator promotion process. All participants passed the written portion of the process and advanced to the skills evaluations. Lieutenant's skills evaluations were held on September 18<sup>th</sup> and the Driver/Operator evaluations were held on September 24<sup>th</sup>. Below are the final results. This list will remain in effect until September 18<sup>th</sup>, 2020.

| Lieutenant's Exam |                   |               |              |             |
|-------------------|-------------------|---------------|--------------|-------------|
| Rank              | Name              | Written Score | Skills Score | Final Score |
| 1                 | Carlos Braumuller | 88            | 89.940       | 88.970      |
| 2                 | Benjamin Cook     | 93            | 83.830       | 88.415      |

| Driver/Operator's Exam |                |               |              |             |
|------------------------|----------------|---------------|--------------|-------------|
| Rank                   | Name           | Written Score | Skills Score | Final Score |
| 1                      | Randy Salinas  | 85            | 92.112       | 88.556      |
| 2                      | Salim Elakhras | 74            | 86.411       | 80.206      |

Currently, we either have, or are anticipating open assignments at the following positions. Full time personnel that may have an interest in transferring to one of these positions should submit an email to Chief Barron and Chief Poole by end of business (1700 hrs) on Monday, September 30. Granting of transfer requests are at the discretion of the Chief and several factors are considered including input from affected companies and overall dispersion of experience across the shifts.
