

	<b>TRAVIS COUNTY ESD #5</b> <b>MANCHACA FIRE RESCUE</b> <b>Department Memorandum</b>	<b>M2020-004</b>
	<b>Announcement of Promotion Process for Lieutenant and Driver/Operator</b>	Effective: 10/6/2020
		Expires: NA
		From: BC Poole

Manchaca Fire Rescue will be holding a promotion process to establish an eligibility list for the position of Lieutenant and Driver/Operator (DO).

The Lieutenant’s process is open to Driver/Operators that possess TCFP Fire Officer I and Fire Instructor I certifications by test date and are not otherwise restricted from participation in the promotion process by disciplinary action.

The DO process is open to full-time Firefighter personnel that hold TCFP Driver/Operator certification and a Texas Class B Driver’s License and are not otherwise restricted from participation in the promotion process by disciplinary action.

The process will consist of a 100 question, multiple-choice exam, a practical skills evaluation, and a Chief’s interview and HR review. The scores from the different components will be weighted into the final score as follows:

Written Test:	40%
Practical Skills:	40%
Chief’s Interview / HR Review:	20%

Exam participants must pass the written exam to proceed in the process. If less than two members pass the written exam the Chief may decline to establish a promotion list. The list will be finalized upon conclusion of the process and will be in effect for 18 months from the date of the written exam. Any pending appeals or disputes will have no bearing on the effective date of the list.

Persons wishing to participate in the promotion process must notify Battalion Chief Poole of their intent to test via email at [cpoole@tcesd5.org](mailto:cpoole@tcesd5.org) by October 23, 2020
