ADDITIONAL TRAINING MODULE

Additionally, all personnel will need to take the Swiftwater Awareness Online Training course available through the TEEX website. The link is available below and is also available on our newly expanded Drills and Skills section of our Training web page. There is no cost for the course but you will need to follow the registration instructions to access the class. All personnel will need to forward proof of completion to Chief Poole by August 8th, 2021.

TEEX Swiftwater Awareness Online Training – 2 credit hours, Rescue – Water Rescue Operations
