ADDITIONAL TRAINING MODULE

Additionally, all personnel will need to take the Research for the Development of more Effective Tactics online training course available through UL's Fire Safety Research Institute Fire Safety Academy at <https://training.fsri.org/?view=list>. The link also available on our newly expanded Drills and Skills section of our Training web page. You will need to create an account for the site to access the class. All personnel will need to forward proof of completion to Chief Poole by December 12th, 2021 or attend the course in a group setting with their company with the training logged in ESO by the Officer in Charge.
